REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Brookdale Elementary School is indeed engaged in the Eagle Mentality and continues to SOAR! The Eagles' Nest has achieved great things and is striving to achieve even more. Serving 348 students in child development through fifth grade, our faculty and staff are committed to providing challenging and meaningful instruction to all. We continue to improve academically each year as we use data to monitor, assess, and inform the instruction that we provide based on the individual needs of our students. It is the goal of all stakeholders to develop global contributors to constantly changing society. We are a Title I school with 97% of our population eligible for free or reduced-priced lunch.

The faculty and staff of Brookdale believe that continuous professional development is the core of academic success for our students. Our rich instructional program focuses on the South Carolina Curriculum Standards. We are currently working to transition into the use of the Common Core State Standards. Teachers and administrators commit to instructional planning weekly, monthly, and quarterly to ensure that students are provided with quality instruction that contributes daily to their success in school. We believe that our instructional planning is a huge contributor to making Adequate Yearly Progress (AYP) and increasing our Report Card Rating. Our spiraling curriculum delivers rigorous, challenging instruction that provides experiences for our students that directly impacts their academic growth.

Technological opportunities within the classroom continue to improve tremendously with the incorporation of interactive star boards and CPS systems in every classroom from Pre-Kindergarten to Fifth grade and all Related Arts classes. Teachers are trained to use cutting edge equipment to assist with instruction. Teachers plan weekly with our school-level Technology Instruction Facilitator (TIF) and provide our students with meaningful, interactive instruction that ignites youthful interest in learning.

Parents are major contributors to our family-friendly atmosphere. Our parents willingly enhance the pulse of our positive environment and we are truly thankful. The key factor that creates positive school-to-home relationships in our school is the commitment of faculty, staff, and families to work together for the good of our children. Our Parenting Center gives parents and the community a special place to call their own within our school. Parenting materials are provided in order to assist Brookdale families in all their parenting needs.

We are proud of the growth and achievements that we have been able to achieve as a school community and look forward to working together to continue to make Brookdale a great place to learn and work.
